STEPS FOR THE PRE-INTERNSHIP EXPERIENCE

The primary goal of the pre-internship experience is to ensure that all students enrolled in The University of Mississippi's Hospitality Management program gain experience as a line employee (either an hourly employee or a volunteer). It provides students with the opportunity to experience and explore real-world jobs that encompass the hospitality industry.

- 1. Seek and obtain hospitality management industry employment or volunteer opportunities.
 - You are responsible for obtaining your own pre-internship position(s). Suggestions can be sought from your faculty mentor.
 - Hours are to be completed during your career at Ole Miss or up to 3½ years prior to registering for NHM 484.
- 2. Work or volunteer for a total of 200 documented hours at one or multiple hospitality businesses.
- 3. For EACH employer/location, you will need to attach a W2 (or pay stubs) OR a brief, signed statement by the supervisor on their official company letterhead verifying the hours you worked. This supervisory statement should only be one-two sentences long. Students should obtain this letterhead/statement immediately upon completion of the pre-internship work experience; don't wait until later to get it!
- 4. Using the form on page three, complete the bullets below for each hospitality organization for which you worked.

A detailed summary of your experience and job duties written in two paragraphs.

- First paragraph describe the activities of the job you experienced.
- Second paragraph respond to the question: "Overall, how did this experience relate to the hospitality industry/career?"
- List the total hours completed at that location.
- The final submission should be typed. Make sure to keep a backup copy on your computer!
- Staple the letter or W-2/paystubs to the summary.
- Submit documentation to your Faculty Mentor for approval.
- 5. Completed documentation of 200 hours is required before you will be enrolled in NHM 484.

The Verification Sheet (page four) will be used for final documentation.
